The specifications and/or plans for this plumbing product have been reviewed and determined to be in compliance with chapters SPS 382 through 384, Wisconsin Administrative Code, and Chapters 145 and 160, Wisconsin Statutes.

The Department hereby issues an approval based on the Wisconsin Statutes and the Wisconsin Administrative Code. **This approval is valid until the end of August 2020.**

This approval supersedes the approval issued on 7/22/2010 under product file number 20100319.

This approval is contingent upon compliance with the following stipulation(s):

- All manhole covers terminating at or above grade must have effective locking devices.
- Joints between riser sections shall be sealed with neoprene gasket supplied by the manufacturer and the riser must be installed on state-approved tanks in accordance with the riser manufacturer's installation instructions.

The department is in no way endorsing this product or any advertising, and is not responsible for any situation which may result from its use.

Sincerely,

Glen Jones, M.S.
